Thank you, Charlene.

One of my follow-up tasks is to coordinate a call between the MUA Board and USEPA. Can you provide me with the MUA Board member names and contact information? My preference would be their e-mail addresses but if their telephone numbers are all you have, I can work with that.

I only see you when I am in your office. Hope you are doing well.

the MUA Board president is Davis Tallas not Ed Talays. (for future reference)

Thank you, Charlene

**Subject:** Notes from the May 5, 2016 Call about the Hopi Infrastructure Projects

Participating in the May 5, 2016 call were:

IHS – Jesse DeCoteau, Lydell Yazzie  
Hopi Tribe – Yvonne Day, Marie  
USDA - Loretta Orona  
Hopi Health Care Center - Daryl Melvin, CEO  
Upper Moenkopi – Cedric Kuwaninvaya  
Sipaulovi – Bonnie Secakuku, George Mase, Mayfa Natoni  
MUA - Ed Talays (President), Robert Charley (MUA Board)  
USEPA – Bessie Lee

**HAMP** – Jesse DeCoteau indicated there are no significant updates from IHS. The construction drawings for the currently funded Second Mesa activities are being work on. IHS has not heard much from the Hopi Tribe, but things may start working now that the Tawa'ovi group has been disbanded. The HAMP and the Tawa'ovi development had been coupled due to the power issue. The Hopi Tribe is still searching for money to totally fund the HAMP.

Since the technical assistance role of IHS ended in 2014, the HAMP lead is now with the Hopi Tribe. IHS is only working on the funded portions of the HAMP.

Loretta Orona indicated she has not yet seen the USDA application from the Hopi Tribe. Who did the Hopi attorney send the application to at USDA? Loretta indicated that the PER is the only document she has received, which Loretta had forwarded to Mike Luecker. Bessie Lee will double check with Lionel Puhuyesva as to what was sent to USDA and to whom at USDA the application was sent. Loretta indicated that the latest fiscal audit she has received from the Hopi Tribe was for 2012. USDA needs the fiscal audits through 2015 (i.e., current year).

The Hopi Tribe is presently working on the 2013 fiscal audit. The plan is to try to get the 2013 and 2014 audits updated by the end of calendar year 2016.

**Shungopavi** – The consulting agreement for recoating the elevated tank at Shungopavi has been submitted to the Hopi Finance Office. The recoating company wants a revision to the agreement. Lionel Puhuyesva is working with the Hopi attorneys on the revision.

**Upper Moenkopi** – Cedric Kuwaninvaya indicated that the Village is on top of the village distribution water system activities. The RO system was restarted the other day. The well pump for the RO system went out last month. The Governor is looking for funds to pay for the new pump.

The Transition Team continues to work on the transfer of the drinking water and wastewater systems from MDC to MUA. The Team is presently working on a job description for the MUA General Manager. MUA now has a 4 member board. MUA has to find its own funding.

Ed Talays indicated the MUA Board is working on a budget for the rest of year and for 2017. There is a MUA Board Budget Planning Session scheduled for May 5, 2016. The MUA Board consists of Ed Talays, Eugene Kay, Robert Charley, and Carmelita C.

Bessie Lee will contact RCAC about providing the new MUA Board members with financial and managerial training. The MUA Board wants to work with ITCA first.

Water meters were installed by the Village in 2012. IHS reminded Upper Moenkopi that the lack of fulfilling the meter reading requirement of the IHS funding could affect future funding from IHS. So, the meters should be read on a regular basis. Cedric Kuwaninvaya indicated the records of the meter readings are at the village, but the meter reading has been conducted sporadically.

Robert Charley had talked to ITCA about training needs. ITCA needs something in writing from the Village if it wants training from ITCA.

Bessie Lee will provide Brad Rea of IHS' telephone number to Ed Talays. Brad's office number is (928) 537-0578. Ed's number is (928) 380-3882.

Bessie Lee will set up a separate call with the MUA Board and USEPA (Adam Howell and Bessie). May 19 or 20, 2016 at 10:00 a.m. Hopi Time is the proposed dates/time. Cedric Kuwaninvaya will forward the contact information for the MUA Board members to Bessie so she can send out the meeting invitations.

Lydell Yazzie and Jesse DeCoteau are working on the Upper Moenkopi sewer project. Jesse is putting together information about the sewer collection system.

The MUA Board will be setting up separate meetings with those entities that have been helping on the Upper Moenkopi drinking water and wastewater systems.

Bessie Lee will send to Bonnie Secakuku the conference codes of the two USEPA conference call numbers (972 3733 and 415 972 5623).

**Next Call** – The next call will be on Thursday, June 2, 2016 at 9:30 a.m. Hopi Time.
